Dear Parents or Guardians:

Due to changes that have been made concerning the Tennessee Scholars program at the state level, students who will graduate in 2013 (current 9th grade students) and beyond as Tennessee Scholars will be required to complete 80 hours of community service instead of the 40 hours that were originally required.

This should not be a problem for students especially with all of the community service that is done through the Beta Club. Remember to document any activities that are done as community service. You can print these forms by going to the Obion County Schools website, click on South Fulton Middle & High, and then click on the guidance link.

Please keep these documented activities in a safe place at home. I will ask for them in the early spring of the senior year.

Sincerely,

Pam Burrow
School Counselor

Senior Class of 2010 – 40 hours of community service required

Senior Class of 2011 – 40 hours of community service required

Senior Class of 2012 – 40 hours of community service required

Senior Class of 2013 – 80 hours of community service required
