

OBION COUNTY SCHOOLS

UPCOMING KINDERGARTEN SCHOLAR SUMMER GUIDE

This past school year, your child had the opportunity to learn a tremendous amount to build on their knowledge. Some curricula covered during this school year that require continued retention and repetition in order to be successful in the next grade are listed below.

English Language Arts:

Say the alphabet
Hold scissors and pencil appropriately
Recognize and write student's first name
Know colors

Mathematics:

Know shapes
Count to 10

Next year, your child will have the opportunity to learn.....

Listed below are some curricula for the upcoming school year that might be a challenge for students and suggestions on how students can prepare this summer.

English Language Arts:

Name the letters and letter sounds
Basic reading skills
Learn sight words
Read on a Level C
Be able to listen and respond appropriately to a text read aloud
Write a complete sentence

Mathematics:

Count to 100
Add/Subtract to 10
